Councilmember Eric Guerra receives High 5 Award for Systems Improvement Affordable Quality Child Care

Sacramento, CA—Today, First 5 Sacramento recognizes Councilmember Eric Guerra with the High 5 Award for the Systems Improvement Affordable Quality Child Care acknowledging his leadership and advocacy for more accessible and affordable child care options. The City of Sacramento has identified early childhood education as a priority of its Project Proper Initiative and budget goals.

“I am humbled and honored to receive this recognition. As a new father, this award touches close to home. I am proud to work in alliance with our new Governor Gavin Newsom on child care policy goals at this critical time. We must continue to focus on our youth so that they are prepared and ready to lead our nation,” states Councilmember Eric Guerra.
